Reports of Boards and Committees.

AMERICAN BIBLE SOCIETY.

The American Bible Society has a history of one hundred and six years to date. It has distributed one hundred and forty-five millions copies of Scriptures.

Last year the Southwestern Agency, which includes Arkansas, Texas, Oklahoma and Louisiana, distributed one hundred and thirty-five thousand volumes of Scripture, including in all thirty different languages.

We should rejoice in the fact that Arkansas has a depository of the American Bible Society in our Capitol City, in charge of a member of our own Conference. This work could be made far more profitable if it had more funds. The work of giving the Scriptures to the poor, the sick in the hospitals, rescue homes, the blind, prisoners, and inmates of reform schools should be enlarged by more funds.

Since putting the Word of God in the hands of masses, especially where it is not, is highly essential to the spiritual growth of the masses, your Committee earnestly pleads that the American Bible Society may not only have the hearty support that our church has given it heretofore, but that it will receive even better support than ever.

We recommend that Rev. D. H. Colquette be re-appointed Agent of the Society.

Respectfully submitted,

D. H. COLQUETTE, Chairman,

JAMES F. JERNIGAN, Secretary.

We recommend that the Bonds of the Treasurers of the respective Boards, as required by Paragraph 341 of 1922 Discipline, be fixed at the largest amount of money that each will probably have on hand at any one time, and that the Conference Treasurer begin to send the monthly apportionments to the Treasurer of the respective Boards when notified by the Chairman of the Board that the Bond has been made and filed with him. The Chairman of each Board shall be the custodian of the Bond of the Treasurer for the Board of which he is chairman.

F. M. TOLLESON, Chairman,
W. L. OLIVER, Secretary.

CHURCH EXTENSION.

We are glad to report that the work of the Board of Church Extension has been prospering during the past year both in our own Conference and over the whole connection. We extend to our new General Secretary, Dr. T. D. Ellis, an assurance of our hearty co-operation in the work of the General Board, that the Conference Board may do more effective work. Though Dr. Ellis could not be with us, we were honored with a visit by Bishop W. F. McMurry, the President of the General Board, who helped us very greatly to understand some new phases of the work.

Several of our churches have been destroyed this year by fire and

tornado, and in all these cases no insurance was carried. Since our own Board of Church Extension on January 1st, 1923, will inaugurate an insurance department, it will be criminal to leave our churches and parsonages uninsured. We recommend that Pastors and Presiding Elders make a strong effort to get all church property insured.

The General Conference made a change in the law concerning the Church Extension Board, so that it is made optional with the Annual Conferences whether they will take care of their own money or have it administered from the office at Louisville. Your Board recommends that this Conference go on record as favoring all donation money to be administered by your own Board and its Treasurer, and that all Loan funds be administered as heretofore from Louisville. This will, of course, not have any effect upon the Mortgage and Refunding Bond, as this law is still in effect, and the Conference Treasurer would not be authorized to pay out any money until said Bond has been duly executed, recorded and delivered to the Conference Board.

The investigation of applications for aid by the members of the Board is a heavy financial burden, and we therefore return to the old method of meeting the representatives of the churches at Conference, and we save, in course of a year, enough to make a donation of somewhere between fifty and a hundred dollars.

We have made the following appropriations:

Churches.

Charge	Donations	Loans
New Hope	\$100.00	\$300.00
New Blaine		800.00
Centerton	250.00
Alpena	250.00
Walnut Ridge	500.00
Old Friendship	200.00
Gassville		200.00
Pangburn	100.00

Parsonages.

Rosebud	150.00	150.00
Gregory	150.00	500.00
Iuka	100.00

Total	\$1800.00	\$1950.00

BOARD OF CHRISTIAN LITERATURE.

The Board of Christian Literature submits the following report:

We received no report from the Publishing House. The report from the Board of Managers of Tracts and Evangelical Literature was before

us, listing many useful tracts which are now available, and we emphasize the following points. These tracts are furnished free of cost to all Mission charges. Other denominations are flooding the country with their literature and through this agency are unsettling many of our own people. The loss to our church by this means very probably amounts to several hundred members each year, while many who would naturally join us are led to other denominations, some of whose teachings are positively hurtful. We recommend the circulation of the tracts above mentioned.

There is a falling off in number of subscriptions to "The Review", but an increase in the circulation of "The Advocate."

The reports of the editor and business manager of the "Arkansas Methodist" were before us, and we recommend:

1. That the subscription rate be fixed at \$1.50 per year in advance, and that all subscriptions be dropped at the close of the year if not paid for.

2. That February be Arkansas Methodist Month, for the extension of its circulation.

3. That the North Arkansas Conference appropriate \$2000.00 for the upkeep of the credit of the paper.

4. That Dr. A. C. Millar be re-appointed editor, and Rev. J. M. Glenn be re-elected business manager, and the old commissioners be re-elected, as follows: F. S. H. Johnston, J. M. Williams and R. C. Morehead.

5. That a certain part of the Arkansas Methodist be given to sermons and the exposition of God's work.

6. That the pastors and all others give the Business Manager of The Methodist their hearty support.

6. That the paper be placed in the budget wherever possible.

ELI MYERS, Chairman,

O. D. LANGSTON, Secretary.

COMMITTEE ON CONFERENCE RELATIONS.

Your Committee on Conference Relations beg to report as follows:

COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

The Committee appointed to examine the District Conference Journals, submits the following report:

We find the Jonesboro and Helena Journals in fine condition. The Searcy and Fayetteville Journals are in fair form. The Conway Journal is in good form but not signed by President and Secretary. The Paragould Journal is written in good form, but not dated. The Booneville Journal is in good condition, except for the pasting in of typewritten sheets. The Batesville Journal was not before us. The Fort Smith Journal was lost by fire when the Lamar parsonage burned.

We suggest that in the future there be more care and attention given to the signing and dating of Journals.

We further suggest that in case the work is typewritten, a loose-leaf book should be used.

We suggest a uniform system of District Conference Journals.

Respectfully submitted,

W. J. FAUST, Chairman,
W. B. WILLIAMS, Secretary.

BOARD OF EDUCATION.

Report No. 1.

So far as the educational work of the Church is concerned, the quadrennium through which we have just passed has been the most eventful and significant in our history. We rejoice that our institutions have been drawn closer together, and our people have reached a new high level of loyalty to the Church and its ideals.

We are at the threshold of a new quadrennium. Only as we maintain a strong program of distinctively Christian education can we hope to hold a place of pre-eminent leadership in the tempestuous days which are upon us.

We therefore recommend the following:

FIRST. That the Conference pledge its hearty and earnest support to the plans of the General Conference Board of Education, in carrying on the Christian Education Movement.

SECOND. That we pledge our hearty co-operation to the General Conference Board of Education in prosecuting in our Conference the work of religious education, and especially in developing "a complete program of moral and religious training in the primary, grammar,

and high school grades of the public schools, and in providing for optional courses in religious and moral subjects to be offered in the colleges and universities of the state."

THIRD. That Rev. R. C. Morehead be appointed a member of the Methodist Educational Association for the current year.

FOURTH. That we recommend Rev. R. C. Morehead be appointed Secretary of Education for the North Arkansas Conference.

Report No. 2.

Encouraging reports come to us from all of our schools.

SOUTHERN METHODIST UNIVERSITY.

At Southern Methodist University the enrollment is larger than ever before. The total enrollment of the year has been 1710. Of this number 172 were in the Theological Department. A successful training school for Sunday School workers and preachers was held in July and it is planned to continue this work next year. We are happy to note that the financial condition of the University is steadily improving.

HENDRIX COLLEGE.

Hendrix College still has all the students she can care for. This condition exists in spite of the fact that during the year the Preparatory Department has been separated from the Collegiate Department, and a brick veneer building provided for this department just west of the College campus. The need of the college is greater than ever before. At present there are 102 beneficiary students. The tuition given these students amounts to more than \$9,000. A recent revival held at the College under the leadership of Dr. O. E. Goddard was very successful. Only five students remain on the campus who are not professing Christians.

We recommend that Rev. A. E. Holloway succeed himself as Trustee, and that an appropriation of \$5,000.00 be made for the College.

HENDERSON-BROWN COLLEGE.

Dr. J. M. Workman brings a report of pressing need from Henderson-Brown. The enrollment is 316, every phase of student life is in a healthy condition. There are more than forty volunteers for Life Service. Nearly \$4,000.00 is being given yearly to beneficiary students.

We recommend that \$5,000.00 be appropriated for Henderson-Brown and that W. P. Jones, Rev. W. T. Martin and Rev. F. M. Tolleson serve as Trustees until 1923. We also recommend that Rev. J. J. Galloway be appointed as Business Manager of Henderson-Brown.

GALLOWAY COLLEGE.

The enrollment at Galloway is hardly up to last year, but indications are that the total enrollment for the year will be greater than last.

During the year a brick veneer building 106 feet long with two wings 38 feet deep has been erected for the use of the Science Department. Alumni and ex-students of the College have on foot a movement to raise among themselves \$50,000.00 for a permanent science building. We are glad to note that this movement is meeting with hearty co-operation on the part of the Church and friends of Galloway.

The debt on the new building has been decreased considerably, but is still \$76,000.00. We rejoice with President Williams that Galloway has been able to meet the conditions laid down by the General Board of Education for a college of the "A" grade. But to hold this rating it will be necessary for the College to spend at least \$2000.00 more a year on the faculty than in the past.

We therefore recommend an appropriation of \$5,000.00 for Galloway. We also recommend that Dr. E. H. Stevenson succeed himself as Trustee, and that Rev. H. C. Hoy succeed Rev. J. H. O'Bryant.

HENDRIX COLLEGE SUMMER SCHOOL FOR MINISTERS.

Hendrix College Summer School for Ministers was a decided success and we recommend the following:

1. That the Presiding Elders of the two Annual Conferences in Arkansas be the General Advisory Council for the School.

2. That the Board of Managers of the Summer School be composed of the Chairman of the Annual Conference Boards of Education, and the Conference Education Secretaries of the two annual Conferences in Arkansas, and the President of Hendrix College. The Board of Managers shall prepare the program and shall have general management of the School.*

3. That the term of the School should be lengthened to two or three weeks, so as to make it a real school helpful to the preachers.

4. That the Presiding Elders be asked not to schedule any District Conferences during the session of the Summer School, and to urge upon the Board of Stewards to send their pastors to the School, where they may need financial aid.

5. That \$1,000.00 be appropriated to the School.

SLOAN-HENDRIX ACADEMY.

Sloan-Hendrix had a good year. There are seven ministerial students and a large number of students who will teach in the mountainous section of Arkansas.

We recommend that an appropriation of 2,000.00 be made for this School and that the General Board of Education be asked to make an appropriation of \$1,000.00.

*NOTE: The Little Rock Conference, meeting subsequently, made the Conference Superintendents of Sunday School Work in both Arkansas Conferences, members of his Board.—Editor.

MOUNTAIN SCHOOLS.

We rejoice that the Commission elected at the last Conference for the purpose of locating a school in the mountainous section of the Conference has succeeded in establishing a school at Valley Springs, and that under the leadership of Prof. M. J. Russell and by the help of the people of Valley Springs in turning over the Public School building for the temporary use of our school, actual school work was begun in September.

The possibilities of this work are practically unlimited. There are hundreds of boys and girls in this section of the state who can never obtain a High School education unless we help them.

We therefore recommend that the commission elected last year to establish the School be continued and that they act as a Board of Trustees. We recommend an appropriation of \$2,500.00 for this School.

We further recommend that the Presiding Elders and pastors make special effort to secure directed gifts to the Sloan-Hendrix and Valley Springs Schools to the end that these Schools may really function in the saving of the splendid potential manhood and womanhood of the mountainous section of the state.

WESTERN METHODIST ASSEMBLY.

Arkansas Methodism is to be congratulated on the location of the Western Methodist Assembly on Mount Sequoiah, near Fayetteville. Property and utilities worth at least \$200,000.00 have been secured to the Church.

We recommend that Dr. F. S. H. Johnston and G. C. Hardin, who were appointed members of the Commission last year, be re-appointed as Trustees of the Western Methodist Assembly.

We wish to urge our people to co-operate with the Trustees in the sale of lots and the securing of a large attendance at the session next summer, and that the various organizations of the Church begin to lay plans for the erection and maintenance of special buildings on the assembly grounds.

Financial Report.

Balance brought forward, \$154.86.

The total assessment for education this year was \$13,000.00. On this assessment \$7,261.29 was collected and disbursed as follows:

Hendrix College	\$1,646.83
Henderson-Brown College	1,646.83

EPWORTH LEAGUE BOARD.

It is very gratifying to note from the report of our General Secretary, Dr. F. S. Parker, that the Epworth League throughout the whole Church showed marked progress during the four years just closed. There was an increase of 1,796 chapters and 64,918 members.

In our own Conference the Epworth League work has advanced wonderfully. During the year just closed there was an increase of 204 chapters and 6,639 members.

No doubt this splendid increase is largely due to the activities of both Conference and District officers, as well as to the results obtained by the Annual Assembly at Galloway College last June. At this Assembly was gathered 355 of the choice young people of our church. 52 of these volunteered for Life Service.

We urge the pastors of the Conference to begin early in the year to arrange to send some young people from each charge to the Assembly which will be held the latter part of June.

We call attention to the fact that the date for Anniversary Day has been changed from the second Sunday in May to the second Sunday in April. It is urged that this day be observed in every pastoral charge whether there be an Epworth League in the charge or not. Programs will be furnished by the Conference Board for this service.

F. E. DODSON, Chairman,
J. M. HARRISON, Secretary.

HOSPITAL BOARD.

Your Hospital Board has elected the following officers: Chairman, G. W. Pyles; Vice-Chairman, Eli Myers; Secretary, M. F. Johnson; Treasurer, T. J. Boston, Earle.

We had before us a communication from the General Hospital Board concerning the organization of Golden Cross Societies. We heartily en-

dorse this movement and at the proper time steps will be taken by this Board to organize these Societies.

We also had before us the report of the Trustees of our Hospital at Memphis, and because of its informational character make it a part of our report, as follows:

Report of the Trustees of the Methodist Hospital

Since the last session of the North Arkansas Conference the Methodist Hospital has been sold to the United States Veteran's Bureau. It was turned over to the Government on June 30, 1922. The facts underlying the sale are known to all.

On July 1st we re-opened Lucy Brinkley Annex to the Methodist Hospital with all new equipment and are running it as a General Hospital for men, women and children, under the able superintendency of Dr. Henry Hedden. We have a capacity of 50 beds. We moved our entire staff of trained and pupil nurses from the Hospital on Lamar Boulevard to Lucy Brinkley Annex and are giving the same high-grade, efficient service at Lucy Brinkley Annex as was given at the Hospital on Lamar Boulevard. We have three graduate nurses and thirty-one pupil nurses on the staff. Miss Holmes is head nurse. Should you, your loved ones or your friends, need hospital treatment, come to the Lucy Brinkley Annex of the Methodist Hospital and you will receive the best service given by any hospital in the South.

At the Hospital on Lamar Boulevard we received 1262 patients from November 1, 1921, to June 30, 1922. From July 1, 1922, to November 1, 1922, we received 450 patients at Lucy Brinkley Annex, making a total number of 1712 patients received since opening the Hospital, November 1, 1921. Of this number 164 came from Arkansas, 290 from Tennessee outside the city of Memphis, 895 from the city of Memphis, 277 from Mississippi, 49 from Missouri and 37 from other states.

We have had the privilege of ministering to 4 pastors or members of their families from the North Arkansas Conference, 33 from the Memphis Conference and 19 from the North Mississippi Conference.

We received \$859,000 from the sale of the Hospital. It has been used as follows: We paid off an indebtedness of \$534,000. A beautiful site and splendid location, the old Overton home on Union Avenue, containing 4 1-4 acres has been purchased and paid for at a cost of \$85,000. We have left in the bank, bearing interest, \$240,000, with which to begin the new Hospital.

We have in unpaid subscriptions, which we count as good, \$110,000.

The architect has been selected and is at work on the plans. We expect to begin the erection of the Hospital in the early spring. We estimate the cost of the new Hospital building to be \$400,000, and equipment for the same \$50,000; the Nurse's Home equipped, \$75,000; and the laundry equipped \$30,000. It will take around \$250,000 in addition

to what we have on hand in the bank and in good subscriptions to open the Hospital free of debt.

In the 1920 campaign the original quota asked of the Memphis District, Memphis Conference, was \$150,000, but the resident members of the Board of Trustees felt that the figures must be placed at \$400,000, if sufficient funds were raised to erect the hospital. \$416,000 was subscribed and \$230,000 has been paid on the same. The Memphis Conference outside the Memphis District, assumed a quota of \$160,000. \$62,520 has been secured in subscriptions and \$26,000 has been paid on the same.

The North Mississippi Conference assumed a quota of \$150,000. \$35,000 has been subscribed and \$14,000 paid on the same. Both the Memphis and North Mississippi Conferences at their sessions just closed set as their goal the securing and paying of their entire quota.

The North Arkansas Conference was requested to set as their goal the raising of \$100,000, this quota to be assigned to the different Districts having regard for the territory of the Conference most conveniently located to Memphis. At the Conference at Rogers, Arkansas, November 24-28, 1920, the Educational Campaign was given the right of way, and it was agreed that after the 8-day drive in 1921 for Educational pledges, a meeting of the Presiding Elders and Trustees of this Conference should be called by the Secretary of the Hospital at a time to be fixed by him. Dr. Sharp's sudden death, before the meeting could be called, with the resultant loss of time in the selection of a new Secretary, prevented the calling of the meeting before the last session of the Conference.

Your Board of Trustees requests the Conference to apportion the quota as they shall see fit.

Our slogan is, "BUILD A BETTER HOSPITAL AND OPEN IT FREE OF DEBT." This can be done if everyone will do their part.

Respectfully submitted,

Board of Trustees of the Methodist Hospital,

By, J. H. SHERARD, President,
L. H. ESTES, Secretary.

The fact that we have a Hospital for men, women and children in operation, the Lucy Brinkley Annex of the Methodist Hospital in the city of Memphis, is a challenge to our sense of duty and loyalty to this vitally important enterprise, and we urge all of our people who need Hospital treatment to go to their own Hospital.

We request our preachers to present to their people the gracious opportunity of establishing Memorial Rooms in loving memory of their departed loved ones; of the Annuity proposition offered by the Hospital for those who desire to invest their money, while living, in a worthy cause; and remind people everywhere to remember the Hospital in their wills.

The North Arkansas Conference was asked by the Trustees to set

as their goal the securing of \$100,000 for our Hospital. The solemn obligation rests alike upon the Bishop, the Presiding Elders, the Pastors and every member of our Church throughout the bounds of our Conference to do their full part in strengthening the financial foundation and thus enlarging the facilities and extending the sphere of usefulness of our Hospitals, so to this end.

BE IT RESOLVED, That we individually and collectively pledge to our Trustees, our Board of Managers and our Secretary our heartiest co-operation in every phase of the work of securing and collecting sufficient pledges to attain our quota, that our Hospital may be opened FREE OF DEBT and go on its way ministering to the suffering sons of men.

For this purpose we request the Secretary of the Hospital to call a meeting of the Presiding Elders and Trustees of this Conference, as soon as practicable, to plan for the attainment of our goal, keeping in mind the territory of our Conference contiguous to Memphis.

We request the election of the following to serve as the Trustees of the Hospital for this Conference: Rev. William Sherman, Rev. J. R. Nelson, T. J. Boston, F. J. Fogleman, W. E. Jelks and Mrs Preston Hatcher.

Respectfully submitted,

G. W. PYLES, Chairman,

M. F. JOHNSON, Secretary.

SPECIAL COMMITTEE ON GROUP INSURANCE.

Your committee appointed to examine the proposed plan of Group Life Insurance of the members of this Conference, begs to make the following report:

1. The matter has been proposed too late in this session to get the proposition fully settled in detail and properly financed.

2. We heartily commend the proposal as worthy and recommend that some such plan be consummated at the earliest moment possible.

3. We recommend that the proposition be referred to the Board of Lay Activities of this Conference, which is authorized to work out and effect any plan with the Board of Finance which is practical and report at our next Conference session for record and final adoption as a permanent feature such consummated plan.

We desire to record here our appreciation of the initiative steps presented to this Conference in this important matter by Mr. O. C. Thomas, Agent of the Prudential Insurance Co. of America, and suggest to the above named Boards that this named Company be given preference in accepting this plan of insurance, everything else being considered.

Respectfully submitted,

C. D. METCALF,

M. E. NEWBERN,

A. L. MALONE,

Committee.

BOARD OF LAY ACTIVITIES.

We recommend that in all Districts where the Assistant District Lay Leaders have not been elected, that the Presiding Elders, as soon as possible fill these vacancies by appointment to serve until the District Conference shall meet.

We recommend that the laymen of the North Arkansas Conference, during the coming Conference year, in caring for all, not neglecting opportunities to do good work for the church, to make earnest effort,

First. To see that all salaries of preachers and Presiding Elders, and Conference Assessments be paid in full.

Second. To forward in every way the collection of all pledges made to the Centenary and Christian Education Funds.

In order that these two things may be accomplished during the year, we recommend that the organization of the Lay Movement be completed in all districts as early as practicable, and we recommend that the pastors invite the laymen to fill vacancies in their respective pulpits.

We recommend that R. E. Womack of Conway be elected Conference Lay Leader.

Respectfully submitted,

HUGH BASHAM, Chairman,

ORVILLE THOMPSON, Secretary.

BOARD OF MISSIONS.**Report No. 1.**

We, your newly elected Board of Missions for the Quadrennium, beg to report that we have met and organized the Board with the following elected as officers: Dr. O. E. Goddard, Chairman; E. K. Sewell, Vice-Chairman; Jefferson Sherman, Secretary; J. S. Ewalt, Treasurer.

Report No. 2.

Our Church has never had a greater cause for rejoicing over triumphs than during the past year. Reports from our various Mission fields are most encouraging. The Missions in Belgium, Poland and Cheko-Slovakia under our Centenary Department, are succeeding beyond our greatest expectations. Great results are being attained in other fields. The heathen and pagan world is wide open to the Gospel as taught by Protestant Christianity.

The Evangelistic note is being sounded throughout the entire Church and we are glad to note the great ingathering of souls into the Kingdom and a large increase in Church membership. Unto God do we give thanks for the ten thousand and more conversions during the year, within the bounds of our own North Arkansas Conference.

We find ourselves, however, greatly handicapped in our plans for this next year, because of a shortage of funds. We therefore urge a full collection of both Centenary pledges and Conference claims.

We recommend that our Presiding Elders, Pastors and other leaders in the Church be instructed to put on a cultural program in our great Centenary campaign, beginning December the first and that the Presiding Elder be chairman of this organization, each in his own District, and that on January 10th special effort be initiated to collect all Centenary subscriptions in arrears.

We recommend that the Presiding Elders see to it that in each Charge receiving Missionary appropriations from this Board, "THE EVERY MEMBER CANVASS" be made for the support of the ministry and general claims.

We further recommend that our Missionary Charges be classified as "A", "B" and "C". "A" and "B" will comprise those charges which agree to co-operate with the Board in reducing their appropriations twenty-five per cent and twelve and one-half per cent respectively each year, and that the said Charges be urged to increase their contributions from year to year, to at least the amount of the appropriation so that at the end of the four or eight years, as the case might be, these Pastors will be receiving as good support as with the assistance of the Board. Class "C" shall comprise those Charges which are not able to enter in to such an agreement but must nevertheless have aid.

We recommend the following as a Committee on Evangelism: R. E. L. Bearden, A. E. Holloway, C. N. Guice, Mrs. W. A. Steel, and Mrs. S. G. Smith.

We recommend the appointment of C. N. Guice, W. H. Neal, and John B. Andrews as General Evangelists; and A. H. DuLaney, Norris Greer, A. E. Goode, and C. H. Bumpers as Conference Evangelists.

We recommend the appointment of Dr. F. S. H. Johnston as Conference Missionary Secretary.

We recommend the appointment of J. L. Shelby and R. F. Shinn as District Missionaries.

We recommend that the assessment for Conference Missions for the ensuing year be placed at \$14,000.

We make the following appropriation to the several Mission Charges:

Batesville District, \$1050; Central Avenue, \$100; Charlotte, \$50; Cotter, \$100; Evening Shade, \$200; Iuka, \$50; Lead Hill, \$100; Umsted Memorial, \$100; Oil Trough, \$50; Wiseman, \$100; Yellville, \$200.

Booneville District, \$1050; Adona, \$100; Sanitorium, \$200; Ola, \$100; Prairie View and McKendree, \$140; Walnut Tree, \$150; Dardanelle Circuit, \$100; Paris Circuit, \$60; Huntington, \$200.

Conway District, \$850; Gardner Memorial, \$250; Springfield, \$100;

Rosebud, \$100; Naylor, \$100; Dover and Appleton, \$100; Greenbriar, \$100; Morgantown, \$100.

ORPHANAGE BOARD.

Your Orphanage Board wishes to report that the work of the Methodist Orphanage the past year was the largest in its history. The Orphanage received and placed more children than usual, and at the end of the year had more in the Home than at the close of any previous year.

We had, at the close of the year, September 30, 1921, 36 children in the Home. We received during the year 27, placed 25 and have now 38. During the history of the Orphanage we have placed 411 children.

Brother Thornburg received during the year special gifts in money to the amount of \$1598.57, making a total of \$46,305.98 which he has received for buildings and equipment.

Financial Statement.

Collected by the North Arkansas and Little Rock Conferences for the Orphanage, \$5,888.84; expended during the year, \$6,938.31, showing that the Conferences were not furnishing enough money to run the institution by \$1,049.47.

The deficit was made up by the Board from children whose parents were able and willing to pay, and by other contributions.

The Little Rock Conference paid last year 65 per cent of its assessments, and the North Arkansas Conference paid 53 per cent.

If the Conference would pay its assessment in full or nearly so, we would have funds to run the Orphanage and enlarge its work on some lines which we would be glad to do.

We recommend:

First. That our pastors see that each Sunday School and congregation have a chance to make a free will offering during the Christmas Holidays.

Second. That our pastors put the Orphanage in touch with children in their charges, and our people in touch with our Institution.

Third. That the assessment on our Conference be fixed at \$5,000, the same as last year.

J. W. MOORE, Secretary.

PUBLISHING COMMITTEE.

Your Publishing Committee begs to report that we have most carefully considered the business entrusted to us, and again award the contract of printing the Journal to the Courier-Democrat, of Russellville, Arkansas. We have also carefully considered the suggestions as to a standard form for Conference Journals handed down to us by the General Conference, and though we have adopted a few of them, we would find it quite expensive and in many respects unsatisfactory to comply with all of them. In the next issue of the Journal, however, we plan to publish a complete chronological roll of the members of the Conference.

For publishing the Journal this year we ask an appropriation of \$720.00, to be apportioned as follows: American Bible Society Board, \$10; Board of Education, \$125; Board of Missions, \$250; Sunday School Board, \$75; Board of Christian Literature, \$10; Board of Church Extension, \$90; Conference Board of Finance, \$160.

COMMITTEE ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, submit the following report:

We need not remind you that the most vital question before the church today is the salvation of the Lord's Day, and that only a concrete defense can solve the perplexing problems and win the fight for Christ in America.

Whereas, we are living in a day of reformation, it behooves the Church to let her voice be heard in regard to the sacred laws of Almighty God relative to our Christian Sabbath. Many are they who seek pleasure and entertainment on Sunday. We should, therefore, renounce any form of desecration of the Sabbath, such as Sunday picture shows, picnics, football or baseball games or any form of athletics, fishing and hunting, and Sunday joy-riding when it interferes with our public services in the churches.

If the homes of Methodism would be true to their church vows, namely, "Attend upon its ordinances," the misuse of the Sabbath can largely be corrected.

Whereas, the Lord's Day Alliance of the United States is organized for the protection and maintenance of our sacred Sabbath, we therefore approve and endorse the purpose and work of the Alliance, namely, to defend and maintain our American Sabbath as a day of rest and spiritual opportunity inherent under the Constitution of the United States and guaranteed under the laws of this state. To promote, in every legitimate way, the observance of this day as the Christian citizenship of this state holding to these objectives in a concrete effort to secure these ends and to abolish all unnecessary Sunday labor.

Many and varied have been the nations which have gone upon the shoals caused by the forsaking of the laws of God. Therefore, we urge the people of Methodism to remember the sacredness of the Sabbath.

JAMES B. EVANS, Chairman,

J. G. McCOLLUM, Secretary.

SPIRITUAL STATE OF THE CHURCH.

Jesus said, "Go ye into all the world and preach the Gospel to every creature."

It takes a high tide of spiritual life to do this. It is with much rejoicing that we can report a marked improvement in the spiritual life of the Church and of the Conference.

We believe this can largely be increased by a greater co-operation of all the departments of the Church for the one purpose of saving the world.

The one great forward movement in our Church has been the Centenary. This has touched the whole Church by its publicity, personal contact and tithing.

We have begun to reap the harvest of our sowing in a deeper spiritual awakening at home and abroad. The seed we sow is "God is Love."

The Sunday Schools and Leagues have been our vanguards. They are the ever-growing hope of the Church.

It is true, perhaps, that by the world's glitter and show, some have been lured away, but the renewed life that has come to our Church by the Christian Education Movement is not only saving our Church-owned Schools, but our Home, our Sunday Schools and our nation.

By song and sermon, by prayer and Bible study, there is certainly coming back to us the old time power of revivals, "Dew drops are falling, but for the showers we plead."

The Pastor's report of almost ten thousand conversions and eight thousand accessions, heartens us to greater faith, courage and hope. "If Jesus goes with us, we can go anywhere."

We want to do our part to help save a million souls.

"If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you."

O. H. TUCKER, Chairman.

GROVER SUTHERLAND, Secretary.

SUNDAY SCHOOL BOARD.

The Sunday School has had the best year of its history in our Conference, as was indicated by the excellent report of our Conference Superintendent of Sunday School Work and by the reports of the pastors.

Phenomenal progress has been made in Sunday School work since our Church set itself seriously to the task of promoting an adequate program of development and cultivation of its own Sunday School work. This is indicated by the following statistics which are taken from the report of Dr. E. B. Chappell, General Sunday School Editor, to the General Conference:

Six Conferences Supporting Organized and Supervised Sunday School Work.

Enrollment four years ago	286,582
Present enrollment	339,709
Gain for quadrennium...	53,127
Pupils joining Church during quadrennium....	62,121
Missionary Offerings in 1918	\$28,511
Offerings in 1921	70,230
Increase	299%
Standard Training Schools held during quadrennium	57
Students enrolled in Training Courses.....	8,508
Credits used for completion of subjects in Teacher Training	8,255
Gains in Church membership during quadrennium	59,905

Or 10% plus.

Seven Conferences Making but little provision for Organized and Supervised Sunday School Work.

Enrollment four years ago	258,143
Present enrollment	253,332
Loss	4,811
Pupils joining Church during quadrennium ...	38,162
Missionary offerings in 1918	\$ 37,828
Offerings in 1921	\$ 59,245
Increase	157%
Standard Training Schools during quadrennium....	6
Students enrolled in Training Courses	4,533
Credits issued for completion of subjects in Teacher Training	2,533
Gains in Church membership during Quadrennium	403

Or a little over three-tenth of 1 per cent.

Our own Conference has kept pace with this progress in the Church at large even though our Board has had to operate with less than half of the workers which are employed in several other Conferences and with a budget which is much smaller than is available to Boards in other Conferences.

Recommendations.

First. That we endorse and pledge our hearty co-operation to the campaign of Evangelism in the Sunday School which is being projected by the General Sunday School Board for the months of January, Feb-

ruary and March and we urge all of our presiding elders and pastors to enter enthusiastically into this campaign.

Second. That all of our Sunday Schools that can possibly do so appoint Key Women and put on the program for Children's week.

Third. That the Sunday School Board be authorized to work out with the Little Rock Conference Sunday School Board, such correlation of Sunday School work for the State as a whole as will promote economy and efficiency.

Fourth. That the Conference Superintendent of Sunday School work give diligent study to the problem of week-day religious instruction with a view to working out at the earliest time possible a program for this important work as is authorized in paragraph 381, Section 1 of the Discipline.

Fifth. That Sunday School Day be observed in every Sunday School in the Conference and that an offering be taken in every Sunday School for Conference and District Sunday School Work and forwarded immediately to the Treasurer, Mr. C. D. Metcalf, Batesville, Arkansas.

Sixth. That during the Christmas Holidays all our Sunday Schools make an offering for our Methodist Orphanage at Little Rock, forwarding the same to Col. George Thornburg, Superintendent.

Seventh. That pastors be urged to cooperate with the Conference Sunday School Superintendent in securing pledges from Adult Bible Classes and Sunday Schools for the Mountain School at Valley Springs.

Eighth. That H. E. Wheeler be appointed Conference Superintendent of Sunday School work for the ensuing year.

Ninth. That \$10,000 be assessed for the needs of the Sunday School Board.

Aims and Objectives of The Board for This Year.

First. The perfection of an effective organization in every District and provisions for the training of District Officers.

Second. A minimum of eleven Standard Training Schools.

Third. A minimum of forty-five Non-Standard Training Schools.

Fourth. The placing of the new program of work in every School in the Conference.

Fifth. A District Institute in each Presiding Elder's District, and intensive cultivation of rural work.

Sixth. Making available for each district organization a sum of money for the prosecution of a program of work approved by the Conference Sunday School Board by returning to each District organization from the treasury of the Conference Board an amount equal to fifty per cent of the funds raised in the district on Sunday School day.

TEMPERANCE AND SOCIAL SERVICE.

We, your committee on Temperance and Social Service, beg leave to submit the following:

After the adoption of the Eighteenth Amendment and the passage of the Volstead Act, the temperance people of these United States rejoiced with great joy, believing that the final victory for temperance had been won; that the manufacture and sale of intoxicating liquors had received its death blow, and our nation would soon become one in which liquor could neither be manufactured nor sold. Such protection as law could give had at last been granted. Indeed it seemed to be impossible that police courts would have to deal with drunkenness except on a limited and ever decreasing scale.

But, in spite of all that law could do, illicit distillers and bootleggers began to multiply at a rate which has astonished the whole country. The high price of "white mule" has tempted thousands to engage in violation of the law, and in too many localities, the law breaker has the sympathy of enough people to make it hard for the officers of the law either to capture the offenders or to convict them before the Courts. We wish to emphasize our denial that these temperance laws are responsible for this state of affairs. Men are not made criminals by law but in spite of it. If, as the enemies of our prohibition laws are wont to say, men become illicit distillers and bootleggers because these laws are in force, then all men would necessarily be affected in like manner, for law is of equal force upon us all. No, the great number of men who are now violating our temperance laws, are actuated by greed, that lust for money which does not scruple to make criminals of all who engage in the illicit manufacture, and sale of liquor.

We call attention to the fact that the enemies of our prohibition laws hope by this wholesale violation of them finally to bring the law itself into disrepute, and to discredit its operations, so as to bring about not only its modification, but even its repeal.

A pernicious propaganda to this effect is now at work. The Church needs to be aroused to this imminent danger.

1. Therefore we recommend that our pastors and laymen redouble their efforts to rid our country of these law-breakers, by getting behind our officers and courts, and giving them our undivided support, and thus create an out-spoken public opinion which no man can gainsay.

2. We are well aware that the World which is an enemy to God, is perfectly willing to let the Church furnish the spiritual life to its young people, if on the other hand, it is allowed to give them its social life, knowing full well, that if allowed to do the latter, it will soon destroy the former, and thus wean them away from the altars of the Church.

Therefore we recommend that the Church see to the exercise of the social life for its young people, which will help not hinder the sal-

vation of their souls. A wise pastor and wise parents, can if they will, work out such social functions as will meet all the requirements of the young people. This, we think can be safely left to the wisdom of those having the welfare of our young people at heart.

3. We heartily commend the noble work that is being done by "The Arkansas Commission of Charities and Correction," in looking after the welfare of dependent, neglected, and delinquent boys and girls of our state. We hope that at no distant day a probation officer may be maintained in every county. The report shows more than one thousand youths of both sexes, have been handled during the year, and these figures are more startling when we consider that the Commission is working in only ten counties of our state; had each one a probation officer then thousands of others equally as unfortunate would have been reached.

We call upon the Legislators of our State to make suitable provisions, of a permanent kind, to care for these unfortunates, especially the weak and feeble minded ones.

We also put ourselves on record as being opposed to the manufacture and sale of cigarettes.

All of which is respectfully submitted,

J. K. FARRIS, Chairman.

I. D. McCLURE, Secretary.

Memoirs.

ELMON MAUD KELSEY.

Elmon Maud Kelsey, son of J. K. and Eliza Jane Kelsey, was born near Conway, Arkansas, September 2, 1880, and died very suddenly of heart failure December 31, 1921.

When about ten years of age he was converted and joined the Methodist Episcopal, Church, South. He was blessed with excellent parents, in whose home was always a welcome for God's ministers.

About 30 years ago when the writer of this article was holding a quarterly conference under a brush arbor, the building of a church was discussed. About a half dozen men spoke. All confessed that they needed a Church, but they did not think they were able to build. Sister Kelsey, the mother of this young man said: "I have lived in this neighborhood twenty years. There never has been a time when we could not have built a church, if we had tried. We can build a Church now for we are as able as we ever will be."

The men all agreed that she was right. The next day they drove to Conway, made a joint note for the lumber, each brought back a load, and in ten days I preached in the new Church, which was named Graham's Chapel in honor of Rev. Thomas Graham, the pastor. This good sister and her husband and Brother Graham have each gone to their Heavenly Home.

Brother E. M. Kelsey was married Dec. 24th, 1922, to Miss Josie Metzger, daughter of J. A. Metzger, who with her two lovely daughters Marie and Dona survive him. He also leaves four sisters to mourn his loss: Mrs. Bettie Holmes, Miss Lula Kelsey, Miss Ola Kelsey and Mrs. Lettie Russell of Conway. Brother Kelsey joined the Conference and served the following charges: Clinton 1909, Good Water, Oklahoma, 1910. He discontinued one year. Coming back to Arkansas, he served Lewisville, 1912, Dover, 1913, Dardanelle Circuit 1914, 1915 and 1916; Walnut Tree 1917; Prairie View, 1918 and 1919, Clinton, 1920, Poplar Grove, 1921, making one round on his new circuit, Elaine and Melwood, and was quite hopeful of a good year.

Much could be said of this good brother. After spending some time in Hendrix College, he felt it his duty to give his life service to the ministry. He was developing into one of our most efficient preachers. He presented a good personal appearance, was affable and possessed gifts for success in his noble work. Without a moment's notice he passed from Earth to his Heavenly Home while sitting in the office of his brother-in-law W. A. Russell of Conway. We can truly say of him, "Well done thou good and faithful servant, enter thou into the joy of the Lord."

The funeral was conducted by J. E. Snell, Y. A. Gilmore and D. J. Weems. Interment was in Oak Grove Cemetery, Conway, Arkansas.

D. J. WEEMS.

WILLIAM PIERCE TALKINGTON

Rev. William Pierce Talkington was born in Searcy, Arkansas, March 26, 1873. He joined the White River Conference at Clarendon, Arkansas, in November, 1897. In December, 1898, he was married to his most estimable wife, who for twenty four years was a great help to him in his life work. To this happy union there were born six children, one a little girl who was waiting her father's ascension, which was on January, 1922, at Quitman, Arkansas, where he was a much beloved and efficient pastor. Mrs. Talkington with her five splendid boys has moved to their old home, near Gum Springs. Brother Talkington was the son of one of the church's strongest preachers. He was not physically strong, but was ever anxious to give his whole life to the cause he so much loved and often reminded us of the zeal and eloquence of his father. He finished his Conference Course on time. Punctuality, sincerity, fervency of spirit and loving zeal for his Church in all its programs, doctrine and polity were the attractive characteristics of his life. To know him was to love him. May his mantle of devotion and Christian zeal fall upon his five boys.

W. B. HAYS.

RICHMOND M. TRAYLOR.

Richmond M. Traylor was born in Tennessee on February 22, 1846.

He was in early life converted and united with the Methodist Episcopal Church, South. He was admitted on trial into the Little Rock Conference at Pine Bluff, Arkansas, in November, 1871; and closed his career at Bentonville, Arkansas, March 17th, 1922. He served his Church as an interant minister twenty-eight years. For a number of years he preached in the Little Rock Conference and since coming to this Conference has served successfully a number of our best charges as Pastor, and was for a time Presiding Elder of the Morrilton District, now the Conway District. Since retiring from the active ministry, he made his home in Bentonville, where like many of our saintly superannuated preachers, his life was a real benediction.

Brother Traylor was married in Clark County, Arkansas, to Miss Nancy Walch on June 18th, 1871. To this union seven children were born, six of whom survive. All of whom with their mother were present at the funeral. There are also ten grand-children.

As a preacher, Brother Traylor did not divine for money, nor trim his sails to catch the breeze of popular favor. Earnest, direct, and faithful as sent with God's commission to the heart. In doctrine uncorrupt; in language, plain. Conscious of his awful charge and anxious mainly that "the flock be fed might to the truth their reverence pay, and not its dress." He was a goodly man and a faithful preacher. He was faithful also in the use of money, and God gave

him the riches of true character, and as the writer remembers him, he was a strict tither. It is remarkable how God whom he trusted raised up a friend who placed this venerable preacher on his pay roll, and at regular intervals the check from this wealthy and worthy friend came to the hand of God's needy servant. The spirit of Christ makes real heroes, and such was our ascended friend. Hail and farewell till we meet again. He has reached the close of life's long warfare. His toils, trails, travels and preaching are over. What good fellowship he must have found with his old companions Hill and Harlan and Hunter and a host of others to welcome him over into the home land. In him we behold a veteran crowned. He had no quarrel with death, and no fear of it. And never were silent nights and soft couch more welcome as the close of a long days journey than death and the grave to this old suffering saint. Servant of God, well done!

J. B. STEVENSON.

MRS. LAURA GRIFFIN.

Mrs. Laura Griffin, nee Patterson, was born in Boone County, Arkansas, February 14th, 1881.

She was converted and joined the Methodist Episcopal Church, South, in early life, under the ministry of Rev. John H. Ruble. She was always regular at Sunday School and Church. She loved God and the Church and proved faithful to every trust. She gave her life for the cause of christianity and the betterment of the world.

Sister Griffin was married to Rev. J. W. Griffin, in April, 1906, who was then an itinerant preacher. To this union was born three children, two girls and one boy, all of whom are still living. She was truly an itinerant preacher's wife. She loved her children, her home and her husband, yet she made every preparation for her husband to go to his appointments, staying with the children and with the home many times when she was not able to do so.

Sister Griffin died November 4th, 1922 in Searcy, Arkansas, surrounded by her husband, children, her father, mother and one brother and a host of sorrowing friends. Her life was that of a beautiful Christian character, a loving mother and a true and dutiful wife. It can truly be said of her that she did what she could.

Funeral services were conducted by Charles Franklin, her pastor, Dr. John H. Dye and the writer, who has known her from childhood.

STATISTICAL REVISIONS.

The following tables have been prepared and printed with unusual care, but when the proofs were submitted to the Presiding Elders it was discovered that the figures collected by the Elder were often at wide variance from those reported by the Preacher. In two Districts the discrepancies were so many that to carry out the request of the Elders would involve the resetting of these tables, and innumerable changes in totals and recapitulations. For every figure revised means the resetting of from 4 to 10 lines of linotype, and when many changes are involved it means much tedious work.

The only remedy for our statistical uncertainty is to publish the reports of the charges only after they have been first audited by the Presiding Elder and found to be in agreement, so far as finances are involved, with the receipts of the Conference Treasurer.

The following revision of Pastor's reports is gladly made on the suggestion of the Elders and in the interest of accurate and reliable reports:
